

## Can You Feel It?

All: Can you feel it? Can you feel it? Can you feel it?

Men/Lows: If you look around  
The whole world is comin' together now, babe

All: Can you feel it? Can you feel it? Can you feel it?

Men/Lows: Feel it in the air  
The wind is taking it everywhere, yeah

All: Can you feel it? Can you feel it? Can you feel it?

Mids/Highs: All the colours of the world should be  
Lovin' each other wholeheartedly  
Yes, it's all right  
Take my message to your brother and tell him twice  
Spread the word and try to teach the man  
Who's hating his brother  
When hate won't do, ooh  
'Cause we're all the same,  
Yes, the blood inside of me is inside of you  
Now, tell me

Men/Lows: Aaaaahhh.....

All: Can you feel it? Can you feel it? Can you feel it?  
Can you feel it? Can you feel it? Can you feel it?

Men/Lows: Every breath you take  
Is someone's death in another place  
Every healthy smile  
Is hunger and strife to another child  
But the stars do shine  
In promising salvation is near this time  
Can you feel it now?  
So brothers and sisters show we know how  
Now, tell me

Mids/Highs:  
(Another place, another place, another place)  
(Another child, another child)  
(Near this time)

All: Can you feel it? Can you feel it? Can you feel it?  
Can you feel it? Can you feel it? Can you feel it?

Mids/Highs: All the colours of the world should be  
Lovin' each other wholeheartedly  
Yes, it's all right  
Take my message to your brother and tell him twice  
Spread the word and try to teach the man  
Who's hating his brother  
When hate won't do, ooh  
'Cause we're all the same,  
Yes, the blood inside of me is inside of you  
Now, tell me

Men/Lows: Aaaaahhh.....

All: Can you feel it? Can you feel it? Can you feel it?  
Can you feel it? Can you feel it? Can you feel it?
