

Wrapped Up

Now excuse me if I sound rude
But I love the way that you move
And I see me all over you now
Baby when I look in your eyes
There's no way that I can disguise
All these crazy thoughts in my mind now (There's just something about you, you)
You got the lock
I got the key

You know the rest, you know just where I wanna be
Don't ever stop controlling me
I kinda like it when you bring me to my knees

You got me wrapped up
Around your finger
I'd do anything for your love now
And when you touch it, the feeling lingers
Takes me up so I high I can't come down

I don't ever wanna give up
All this spell you got me under
I see fireworks when we touch now (There's just something about you, you)
Your body fits on mine like a glove
Let them say whatever they want

It's too late cause you're in my blood now (There's just something about you, you)
You got the lock,
I got the key
You know the rest, you know just where I wanna be
Don't ever stop controlling me
I kinda like it when you bring me to my knees

You got me wrapped up
Around your finger
I'd do anything for your love now
And when you touch it, the feeling lingers
Takes me up so I high I can't come down (Girl, you got me)
Wrapped up (O-oh, You got me so)
So wrapped up (O-oh, There's just somethin' bout you, you)
Wrapped up (O-oh, You got me so, got me so)
Wrapped up (O-oh, There's just somethin' bout you, you)

Treasure, that is what you are
Honey you're my golden star
I know you could make my wish come true
If you let me treasure you
If you let me treasure you

Everything that you do
Every way that you move
There's just something about you (There's just something about you, you)
Everything that you do

Every way that you move
There's just something about you (Girl, you got me)

You got me wrapped up
Around your finger
I'd do anything for your love now
And when you touch it, the feeling lingers
Takes me up so I high I can't come down (Girl, you got me)
Wrapped up (O-oh, You got me so)
So wrapped up (O-oh, There's just somethin' bout you, you)
Wrapped up (O-oh, You got me so, got me so)
Wrapped up (O-oh, There's just somethin' bout you)
