

It's the Same Old Song

You're sweet (**You're sweet**) as a honeybee
But like a honeybee stings
You've gone and left my heart in pain
All you left (**All you left**) is our favorite song
The one we danced to all night long
It used to bring sweet memories
Of a tender love that used to be

**Now it's the same old song
But with a different meaning
Since you been gone
It's the same old song
But with a different meaning
Since you been gone**

A sentimental fool (**sweet sweet memories**) am I
to hear a old love song
And wanna cry
But the melody (**sweet sweet memories**) keeps haunting me
Reminding me how in love we used to be
Keep hearing the part that used to touch my heart
Saying together forever
Breaking up never

**It's the same old song
But with a different meaning
Since you been gone
It's the same old song
But with a different meaning
Since you been gone**

Precious memories (**sweet sweet memories**) keep a lingering on
Everytime I hear our favorite song
Now you're gone (**sweet sweet memories**)
Left this emptiness
I only reminisce
The happiness we spent
We used to dance to the music (**we used to dance to the music**)
Make romance through the music (**make romance through the music**)

**It's the same old song
But with a different meaning
Since you been gone
It's the same old song
But with a different meaning
Since you been gone**
