"Angels"

I sit and wait
Does an angel contemplate my fate
And do they know
The places where we go
When we're grey and **old**
'cos I have been told
That **salvation** lets their **wings unfold**
So when I'm lying in my bed
Thoughts running through my head
And I feel that love is dead
I'm loving angels instead

And through it all she offers me protection **(Ohh)**
A lot of love and affection
Whether I'm right or wrong
And down the waterfall
Wherever it may take me
I know that life won't break me
When I come to call she won't forsake me
I'm loving angels instead

When I'm feeling weak **(Ahh)**
And my pain walks down a one way street
I look above
And I know I'll always be blessed with love
And **as the feeling grows**
She breathes **flesh to my bones**
And **when love is dead**
I'm loving angels instead

And through it all she offers me protection **(Ohh)**
A lot of love and affection
Whether I'm right or wrong
And down the waterfall
Wherever it may take me
I know that life won't break me
When I come to call she won't forsake me
I'm loving angels instead

x2

And through it all **she offers me protection**
A lot of love and affection
Whether I'm right or wrong
And down the waterfall
Wherever it may take me
I know that life won't break me
When I come to call she won't forsake me **(Ahh)**
I'm loving angels instead
