

**GET LUCKY – Daft Punk**

Like the legend of the phoenix  
All ends with beginnings  
What keeps the planet spinning  
The force of love beginning

**We've come too far to give up who we are  
So let's raise the bar and our cups to the stars**

**She's up all night 'til the sun  
I'm up all night to get some  
She's up all night for good fun  
I'm up all night to get lucky**

**We're up all night 'til the sun  
We're up all night to get some  
We're up all night for good fun  
We're up all night to get lucky**

**We're up all night to get lucky  
We're up all night to get lucky  
We're up all night, all night to get, up all night to get get get lucky**

The present has no ribbon  
Your gift keeps on giving,  
What is this I'm feeling?  
If you wanna leave I'm ready (ah)
