

I Believe - Fantasia

Have you ever reached a rainbow's end?
And did you find your pot of gold?
Ever catch a shooting star?
Then tell me, how high did you soar?
Ever felt like you were dreaming **(Ohh)**
Just to **find that you're awake**
And the magic that surrounds you **(Ohh)**
Can lift you up and guide you on your way **(Ahh)**

I can see it in the stars across the sky
Dreamt a hundred thousand dreams before
Now I **finally realize**
See I've waited all my life for this moment to arrive **(Ahh)**
And finally, I believe

When you look out in the distance
You see, it never was that far, oh no
Heaven knows your existence
And wants you to be everything you are
Oh, there's a time for every soul to fly **(Ohh)**
It's in the **eyes of every child**
It's the hope that love will save the world **(Ohh)**
And we should never let it go **(Ahh)**

(Chorus)

I believe in the possible, If I reach **deep within my heart**
Overcome any obstacle, Won't let this **dream fall apart**
You see, I strive to be the very best, Shine my **light for all to see**
'Cause anything is possible, Oh when you believe **(Ahh)**
(Believe)

(Chorus)

Love keeps lifting me higher
Love keeps lifting me higher
