

Lay Me Down

Yes, I do, I believe
That one day I will be
Where I was, right there
Right next to you
And it's hard
The days just seems so dark
The moon and the stars are nothing without you

Your touch, your skin
Where do I begin?
No words can explain the way
I'm missing you
Deny this emptiness, this hole that I'm inside
These tears, they tell their own story

Told me not to cry when you were gone
But the feeling's overwhelming, it's much too strong

Can I lay by your side?
Next to you, you
And make sure you're alright
I'll take care of you
I don't want to be here if I can't be with you tonight

I'm reaching out to you
Can you hear my call?
This hurt that I've been through
I'm missing you,
I'm missing you like crazy

Can I lay by your side?
Next to you, you
And make sure you're alright
I'll take care of you
I don't want to be here if I can't be with you tonight

Lay me down tonight
Lay me by your side
Lay me down tonight
Lay me by your side

Can I lay by your side?
Next to you,
You
